THE 2022 RULES AND REGULATIONS

ESSENTIAL MARKET RULES CHECKLIST

If a vendor fails to participate in the market for 3 consecutive weeks and does not notify the Downtown Sylvania Association in time to find a replacement, the vendor will be excused from the market for the remainder of the season.

All vendors are expected to stay until the markets end at 7pm

Vendors must comply with all laws, ordinances, and regulations of the United States, State of Ohio, and Lucas County Health Department regulations. It is a vendors responsibility to obtain all licenses, permits, and pay any fees required by Local and State bodies. This includes a vendor's license for goods sold for which a sales tax must be collected and paid. Vendors must provide a copy of their license.

You must read through The Sylvania Farmers Market handbook provided online.

You are also responsible for ensuring your staff reads and understands all the rules.

Please refer to COVID Appendix in the handbook for additional market operations rules under COVID.

All vendors must complete an application.

Vendor spaces are not reserved until your application is approved and payment is received in full.

The Downtown Sylvania Association may limit the number of vendors selling the same or similar products at a market.

The Downtown Sylvania Association may refuse a vendor from participating. Vendors must grow, produce, make, or prepare at least 60% of what they will sell. The sale of live animals is prohibited.

MARKET CONCERNS + CANCELLATIONS

Use the Vendor Concern Form to communicate concerns regarding the market.

If you need to cancel, give a minimum of 48 hours' notice. Call the Manager's cell phone if it's the weekend or less than 48 hours.

MARKET SETUP + SAFETY

Be punctual and listen to direction from Sylvania Farmers Market Volunteers and staff. Arrive no more than 1 hour and no less than 30 minutes prior to market opening. Remove your vehicle from the market no later than 30 minutes prior to market opening.

One vendor spot is approximately 10' by 10' and is assigned by the Market Manager prior to the season. You may be asked to move to another location throughout the season. Specific spaces may not be requested.

Drive carefully and safely during set up and break down. Park in designated parking areas as directed by market staff, or a minimum of 3 blocks away from the market.

When unloading, drop off your goods, and then move your vehicle BEFORE setting it up.

Never set up a canopy without proper weights.

Tables, tents, and supplies are NOT provided and are the responsibility of the vendor. Vendors who use tents are encouraged to use portable weights to secure tents. Stakes may not be used.

Vendor displays may not impede pedestrian or vehicular traffic.

MARKET CLEANUP

At the end of the day, bring your vehicle back on site after you have broken down and are ready to load.

MARKET MANNERS

Do not sell to the public before the opening or after closing time. Sampling is encouraged prior to opening.

Collaborate with your farmer/vendor neighbors to create something interesting and enticing for shoppers (a recipe idea, a unique product combo, a meal kit) – and be sure to let your Market Manager know!

For the health and safety of all vendors and visitors, smoking is prohibited in the vendor area.

No loud radios or music may be played.

HAVE FUN!!
